ABOUT ME

I am Abolfazl (born in 2007), and I started programming in 2015 with QBasic. My journey continued with web development, where I became proficient in HTML, CSS, and JavaScript. In 2017, I entered the world of backend development with PHP and MySQL, working on them for about four years until I achieved full mastery. Along the way, I also gained experience with Kotlin, C#, C++, Python, and the Unity Engine, developing related projects.
Since 2021, my main focus has been on Android application development using Android Studio and Java. Through designing and implementing various projects, I have consistently prioritized quality, optimization, and user experience.
My vision is to create high-quality, practical software solutions that make users' lives easier and more efficient.

PROFESSIONAL SUMMARY

Skilled Android and Web Developer with over 5 years of hands-on experience in building and maintaining applications.
Proficient in Android development using Java and Kotlin within Android Studio, including UI/UX design with XML, database integration with SQLite and MySQL, and API communication.
Experienced in full-stack web development with PHP, HTML, CSS, JavaScript, jQuery, and Bootstrap 5, capable of developing dynamic web pages, server-side logic, and responsive layouts.
Basic familiarity with Node.js for small server-side scripts and utility tasks.
Additionally, familiar with C++, C#, Python, and Unity Game Engine, applied occasionally for utility tools and game prototypes.
Strong problem-solving skills with a focus on efficient, maintainable, and user-friendly applications.

ACHIEVEMENTS & AWARDS

1st Place – **ACM Programming** (May 2023)
C++ Programming
– Farhikhtegan Javan National Student Competition
Science & Research University, Tehran

1st Place – **Game Development Programming** (Feb 2024)
C# Programming with Unity Game Engine
– Kibord Events, Hamrah Academy
Shahid Beheshti University, Tehran

1st Place – **Android App Design** (May 2024)
Java Programming with Android Studio
– Farhikhtegan Javan National Student Competition
Science & Research University, Tehran
